## Purpose of Form

A person who is registered to file an information return with the IRS must get your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to give your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee.

If you are a foreign person, use the appropriate Form W-8. See Pub. 515, Withholding of Tax on Nonresident Aliens and Foreign Corporations.

### What is backup withholding?

Persons making certain payments to you must withhold and pay to the IRS 28% of such payments under certain conditions. This is called "backup withholding". Payments that may be subject to backup withholding include interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, and certain payments from fishing boat operators. Real Estate transactions are not subject to backup withholding.

If you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return, payments you receive will not be subject to backup withholding. **Payments you receive will be subject to backup withholding if:**

1. You do not furnish your TIN to the requester, or
2. You do not certify your TIN when required (see the Part III instructions on page 2 for details), or
3. The IRS tells the requester that you furnished an incorrect TIN, or
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

## Penalties

**Failure to furnish TIN.** If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

**Civil penalty for false information with respect to withholding.** If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

**Criminal penalty for falsifying information.** Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

**Misuse of TINs.** If the requester discloses or uses TINs in violation of Federal law, the requester may be subject to civil and criminal penalties.

### COLORADO HEALTH CARE PROFESSIONAL CREDENTIALS APPLICATION

This is the Colorado healthcare professional credentials application. The Colorado legislature has mandated that all health care entities and all health care plans engaged in the collection of information to be used in the process of credentialing of health care professionals use this form (C.R.S. § 25-1-108.7).

This uniform application has been designed to allow each credentialing entity to receive from you core credentialing information needed in common by all of them, without duplication.

This uniform application has been designed to allow each practitioner to complete a single form with core information for submission to each credentialing entity to which the practitioner is applying.

Each credentialing entity may require additional, non – duplicative credentials information, if it is deemed by them to be essential to the completion of their credentialing process.

A healthcare professional by law, means any physician, dentist, dental hygienist, chiropractor, podiatrist, psychologist, advanced practice nurse, optometrist, physician assistant, licensed clinical social worker, child health associate, marriage and family therapist, or any other health care professional who is registered, certified or licensed by the state of Colorado, who practices, or intends to practice, in Colorado, and who is subject to credentialing.

Those credentialing entities that are required to use this uniform application are:

- 1) A health care facility or other health care organization licensed or certified to provide medical or health services in Colorado;
- 2) A health care professional partnership, corporation, limited liability company, professional services corporation or group practice;
- 3) An independent practice association or physician-hospital organization;
- 4) A professional liability insurance carrier; or
- 5) An insurance company, health maintenance organization, or other entity that contracts for the provision of health benefits.

No State of Colorado licensing or certification board is required to use this uniform application.

The reason Colorado has mandated the use of this uniform application is to reduce health care costs and duplication.
