

## DECARE DENTAL INTERNATIONAL EMERGENCY DENTAL PROGRAM

### INTERNATIONAL EMERGENCY DENTAL PROGRAM FOR MEMBERS

When you work or travel abroad, your dental benefits travel with you. DeCare Dental's International Emergency Dental Program provides comprehensive dental benefits to employees of American companies who work or travel abroad.

#### FINDING A DENTIST IS EASY

The International Emergency Dental Program uses specialized international dentists. All participating dentists are credentialed, speak English and meet the requirements to practice dentistry in their home countries.

To find a local dentist, visit [www.decare.com](http://www.decare.com) to access our listing of international dentists. Or, call our international customer service center representatives at the number listed on the reverse side of your ID card to locate a dentist. They can also assist you if translation services are required when contacting a dentist's office.

#### PAYMENT OF CARE

You must pay the dentist directly either at the time of service or, if available, according to the dentist's payment plan. The International Emergency Dental Program will reimburse you directly for services covered under your dental plan. Please note, we do not reimburse the dentist.

#### SUBMIT CLAIM FORM AND RECEIPTS

When you visit your dentist, be sure to take a copy of the International Emergency Dental Program claim form, which can be downloaded from our website [www.decare.com](http://www.decare.com). The dentist may be able to assist you in completing the claim form. Be sure each service provided is listed on the claim form. Please submit the completed claim form, along with a detailed receipt of services rendered to the address listed on the claim form, so we can reimburse you according to the specific provisions of your benefit plan.
